### **COVID-19: What SMECO Customers Should Know**

Governor Hogan declared a State of Emergency for Maryland on March 5, 2020. On March 16, he announced an Executive Order prohibiting the termination of electric, gas, water and sewage services, as well as phone, cable, and internet services. The Order expired on September 1, 2020. The Public Service Commission made a ruling extending the moratorium until October 1, 2020 to prevent shut-offs and late fee collection for non-payment of electric, gas and private water. Any termination notice sent before October 1, 2020 is invalid.

The utility companies may not send a termination notice until October 1, 2020. The stated turn-off date cannot be before November 15, 2020.

#### **1. I have a pending SMECO service termination notice. Will my gas or electricity be shut-off?**

No. SMECO will not terminate your service through November 15, 2020. You should still make every effort to pay your bill. Once the suspension is lifted, you will be responsible for the full amount. You may start receiving turn-off notices October 1, 2020.

OPC strongly recommends that you contact SMECO to try and work out a payment plan. SMECO will be offering 12-month payment plans to everyone and 24-month payment plans to OHEP-certified customers. There is no required down payment or security deposit to enter into a payment plan. You can call their Customer Care team at 888-440-3311 to discuss payment arrangements. Let them know of any layoff or reduced income as a result of the State of Emergency.

If you are concerned about your ability to pay your bill, there may be resources to help. Please contact us at [DLInfo\\_OPC@maryland.gov](mailto:DLInfo_OPC@maryland.gov) or review our resource guides at [www.opc.maryland.gov](http://www.opc.maryland.gov) to learn about different programs that might be able to assist you in getting back on track with your utility bill.

#### **2. If I can't make a payment right now, will I get a late fee added to my bill?**

No. No. SMECO will not impose or collect any newly incurred late fees through October 1, 2020.

#### **3. What can I do if my gas or electric services are off right now?**

Office of People's Counsel

Your gas or electric service will not be automatically restored. However, if your services are off right now, OPC strongly recommends that you contact SMECO to try and get reconnected. You can call their Customer Care team at 888-440-3311 to discuss payment arrangements.

There may be other resources to help. Please contact us at [DLInfo\\_OPC@maryland.gov](mailto:DLInfo_OPC@maryland.gov) or review our resource guides at [www.opc.maryland.gov](http://www.opc.maryland.gov) to learn about different programs that might be able to assist you.

#### 4. What if someone in my household is critically ill or relies on electricity service for life support. What can I do to get service back on?

If someone in your home is critically ill and relies on electricity service for life support you should immediately contact SMECO to discuss options. There may be options for your household. If you have a limited income and are receiving services at a hospital or medical facility, you should find out if there is a certified "Navigator" who can assist you with your utility service problem, or contact OPC for more information.

#### 5. What if I need to start or stop my utility service, report an outage, or report an issue?

Customers can submit start/stop service requests either online from SMECO's website or by calling SMECO directly and speaking with a customer care representative. Customers can report outages or service problems through SMECO's web site, by SMS text, through the SMECO 24/7 app, or by speaking to a customer care representative. SMECO will respond to all outages and system emergencies regardless of any challenges related to COVID-19.

#### 6. Can I still make payments on my utility account?

Yes. While there are suspensions on non-payment service terminations, you can still make payments to your account. Customers may pay bills by mail, by AutoPay, by telephone, online, or by mobile app. OPC recommends that you continue to make payments, even if partial payments, even though your utility services cannot be terminated.

#### 7. I have contacted my utility about working out a payment plan and they have not assisted me. What do I do now?

Office of People's Counsel  
[www.opc.maryland.gov](http://www.opc.maryland.gov)  
[DLInfo\\_OPC@maryland.gov](mailto:DLInfo_OPC@maryland.gov)  
410-767-8150; 800-207-4055

Remember: Your utility cannot issue a turn off until October 1, 2020. However, you will be subject to a turn-off if you are behind on your bill after November 15, 2020. It is a good idea to be proactive in managing your bill during the emergency. You are entitled to be offered a 12-month payment plan and a 24-month payment plan if you are an OHEP-certified customer. There is no requirement to make a down payment or security deposit to enter into a payment plan.

If your utility will not agree to assist you, you can submit a complaint to the Consumer Assistance Division of the Public Service Commission (PSC/CAD). Due to the limitations on public agencies, you will need to submit the complaint online at [www.psc.state.md.us](http://www.psc.state.md.us). If you are not able to fill out the form online, contact OPC at 410-767-8150 and leave a message with your name and phone # and state the problem, and someone will contact you to assist you.
