

Fuel Fund of Maryland (FFM) Bulk Fuel Information Sheet

Effective September 15, 2020

Eligibility Requirements:

1. Complete OHEP application
 - a. Must have an account set up with a bulk fuel vendor;
 - b. Make sure MEAP grant is set to go to your bulk fuel company; and
 - c. If over income, FFM has higher income guidelines, still apply to both OHEP and FFM.

2. How Bulk Fuel works with the FFM
 - a. We do NOT help with old/past due bulk fuel bills;
 - b. We help with a “one-time” purchase of up to 100 gallons of oil, kerosine, propane, wood pellets, etc. This is to be used for emergencies, not just “to fill your tank”;
 - c. We will contact your bulk fuel vendor;
***Note:** Most vendors will work with us with promissory notes, as we are a non-profit., If your vendor chooses not to do so, then we may not be able to make the purchase*
 - d. We will send the bulk fuel vendor a promissory note to deliver 100 gallons;
 - e. Your bulk fuel vendor will invoice FFM directly; and
 - f. We will pay your vendor directly after receiving invoice.
